

Dear Friends:

Did you know that New Hope Ministries is helping more people than ever in this challenging economy?

In 2009, **close to 7,000 people received help from New Hope's assistance centers** located in Dillsburg, Dover and Mechanicsburg West Shore - this represents a 27% increase from 2008. Clearly, our neighbors need help.

The increase in clients who walk through our doors is what motivates New Hope's volunteers to help raise funds to sustain services, and extend a helping hand to the ever-growing amount of people who depend upon our programs.

One of the fundraisers that significantly impacts New Hope is our golf event. Planning for the **12th Annual New Hope Golf Tournament** is in full "swing" and will once again be held at **Range End Golf Club in Dillsburg** on **Friday, September 24, 2010**. Your sponsorship and support will make a real difference right here in our local communities.

It is the intention of New Hope Ministries to team up with our business partners and provide them with a credible presence in the communities we serve. We believe that our corporate partners deserve recognition for their support, and partner with them through activities that advance the work of New Hope and yield positive marketing exposure to our partners.

Sponsorship opportunities are enclosed and highlight the corresponding marketing/advertising opportunities. **Please return the form to us by June 30th** to ensure inclusion of your organization on event materials.

Thank you for your consideration. Should I not hear from you in the next couple of weeks, a member of the Golf Committee will contact you to answer any sponsorship questions or to provide additional information.

Sincerely,

Kathy Weaver
Golf Tournament Committee Chair
