Changed Lives

Another group of students in our Nurse Aide Class recently graduated this fall and are on their way to the next steps in their careers. **Your support** helps students like these build their employable skills in the workforce - **thank you!**

Thanks to our car donation program* supported by you, Bill, a single father who needed reliable transportation to keep his job, received a car. Now, he can provide for his family without the expense of purchasing a replacement vehicle, or worrying about losing his job. **Your support** changes lives like Bill's. **Thank you!**

*** Do you have a good-working car to donate to someone like Bill? Please contact Molly at (717) 432-2087 x203 for details.**

Dillsburg Capital Campaign Update

We are pleased to share that New Hope has met and exceeded the \$500,000 matching grant challenge for the Dillsburg Campaign - **thanks to everyone who made a gift or pledge thus far!** To date, we have raised approximately \$1.15 million toward the \$1.3 million goal. Please keep us in prayer as we move forward with the remainder of the campaign. **Thank you!**

Christmas is coming!
