Earl and Twanette just couldn't wait.

As soon as they signed their apartment lease and got the keys to their new home, they stopped by New Hope to share their good news. And they needed that good news right now in their lives.

Earl and Twanette had been living in a local shelter. Unforeseen circumstances, tough times, and a death in the family led to their homelessness, and their reaching out to New Hope for help. We've been working with them to find housing and employment for both. Finally, an apartment came through, and they are now safe and warm in their own home. Earl is looking to enroll in our CDL Truck Driving Program and Twanette is hoping to re-enter the paralegal field as soon as possible.

Warm smiles, big hugs, and sincere thanks were shared between our staff and this couple when they shared their good news with us. Small steps toward stability, with hope, encouragement, and prayer along the way. **Would you please keep Earl and Twanette in your prayers** as they settle into their new home and look to secure employment?

Your support changes lives and makes these moments happen. Thank you for helping us share Christ's love every day at New Hope!
